The capabilities and expertise  
to handle all your needs

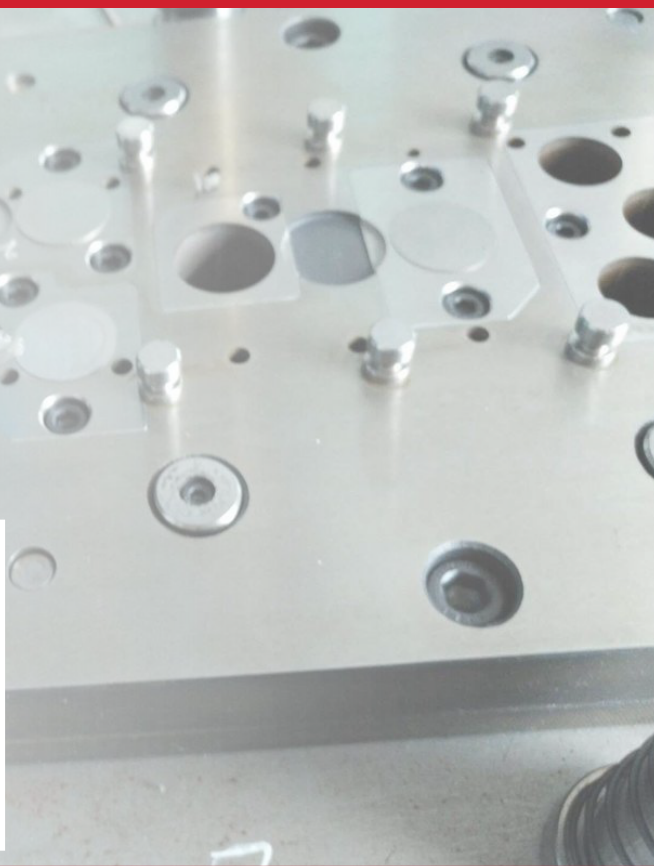

**Armor Contract Fabrication and Manufacturing is your one-stop solution for a wide variety of custom designed, engineered products.**

We are experienced in both large and small production runs, large scale units, and building to government specifications.

A state-of-the-art tool room has allowed Armor Contract Manufacturing to take its in-house tool building capabilities to the next level and emerge as a solid supplier in the metal stamped parts market. Our process results in shorter development and build times.

**Die types include:**

- Blank Dies
- Pierce Dies
- Progressive Dies
- Compound Dies
