

ARMOR CONTRACT

Capabilities

Armor Contract Manufacturing is your one-stop solution for a wide variety of custom designed, engineered products. We are experienced in both large and small production runs, large scale units, and building to government specifications. The entire planning, engineering, and fabrication process takes place under one roof. Our streamlined contract manufacturing process allows us increased precision and control because all aspects of a project are approached in a uniform manner and seamlessly coordinated.

The days of customers sourcing separate engineering, cutting, welding and finishing suppliers are in the past. The combination of Armor's dedicated employees, ample facility, and specialized equipment are unparalleled by other contract fabricators.

Armor Contract Manufacturing is large enough to handle all of your fabrication needs. Our 315,000 SF manufacturing facility in Mason, OH operates as our headquarters. We also have operations in Elkhart, Indiana, Lebanon, Ohio and Shanghai, China with additional manufacturing space, equipment and capabilities. Because of our global scale, we can handle your contract manufacturing projects large and small.

4600 N. Mason Montgomery Road • Mason, OH 45040

ARMOR CONTRACT

Capabilities

- 2-D and 3-D CAD Drawing Interface
- 2-D Barcoding
- Assembly
- Auto-Cad Design Engineers
- Barcoding
- Bending and Forming
- CARC
- Certified Welders and Fabricators
- Coil Processing
- Contract Manufacturing
- Die Design
- Electrical Wiring
- Engineering
- Fabrication
- First Article/Qualification Testing
- Form
- Integral Quality Assurance
- Kanban Systems
- Laser
- Laser/Plasma Cutting
- Material Prep
- Metal Punching, Rolling, & Forming
- Milling
- Packaging/Installation/Preservation
- Painting (Including CARC)
- Polishing and Graining of Stainless Steel and Aluminum
- Powder Coating
- Product Design
- Quality Assurance
- R&D Partnerships
- Refurbish to TB9-289 or Customer Specific Criteria
- Refurbishment
- Rolling
- Sandblasting
- Stamping
- Structural Weldments
- Washers
- Water Pressure Testing
- Welding
- Wet Paint
