

**ARMOR
CONTRACT**

Diversified Metal Stampings

Armor Contract Manufacturing is a fully integrated company meeting all industry standards including automotive specifications quality requirements with documentation and traceability of materials through the entire process. Additionally, to assure better control of your cost and delivery, we slit steel coils up to 1/2" thick helping provide those quick turn-around orders. We offer parts ranging from agriculture to trailer hitch components and we are capable of creating almost any size or shape to meet your needs.

Part/Tooling Types:

- Blank, pierce, and progressive dies
- Compound dies
- Four slide applications
- Flat stampings of all shapes (Blank/Pierce)
- Tube and hinge parts (Stampings and Four Slide)
- Brackets
- Washers, flat and through hardened
- Belleville washers for all industries
